

# Building a High-Performance Culture In a Hybrid World

Thursday January 12, 2023

Join us for a discussion with successful business leaders who will share their experiences about workplace culture and creating an environment for attracting and retaining top talent. You will benefit from the CEO and Executive peer-to-peer networking and roundtable discussion of opportunities, challenges, and best practices.

*This is a by-invitation event for CEOs and Executives - [REGISTER](#)*
